

Legal Costs Indemnity for Group Members

This indemnity is provided as an open letter to Group Members for their benefit and peace of mind.

Spiros Kalotihos, as lead applicant in a group action against Victorian DHHS and State of Victoria (corp) for damages due to their actions and directions relating to the 'covid plan', indemnifies all additional applicants listed in the group action as follows;

- (i) Legal costs for running the action
- (ii) Legal costs imposed by a court in the event the matter is unsuccessful
- (iii) Administration fees relating to the progression of the action

It is the intention of the lead applicant to run the action to fruition in his own right and on behalf of group members without subjecting the group members to financial outlay and provides this indemnity for their assurance and peace of mind.
